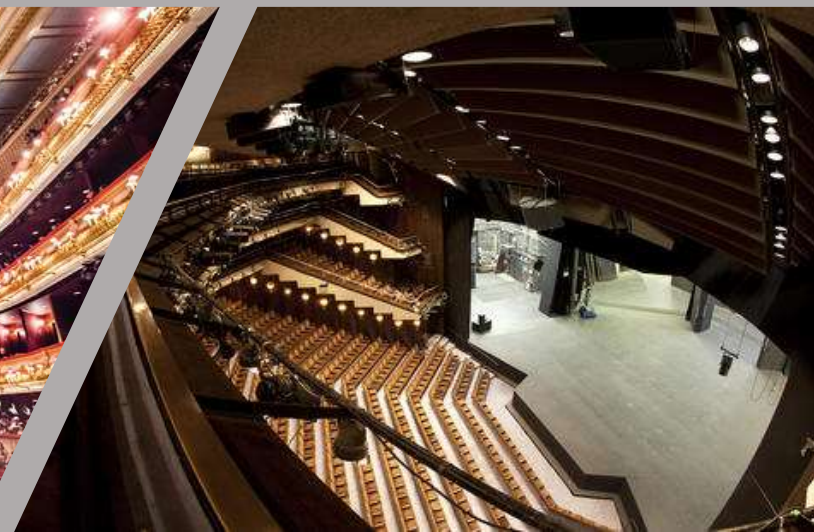
Biology:

Music:

- Take them to:

- The South bank
- The Barbican
- Royal Opera house
- The Coliseum
- The vortex[jazz] in Stoke Newington
- Oliver’s jazz bar-Greenwich
- Cable café-jazz venue in Camberwell
- The Churchill theatre in Bromley



English:

Radical and rebellious, he is an inspiration to visual artists, musicians, poets and performers worldwide. His personal struggles in a period of political terror and oppression, his technical innovation, his vision and political commitment, have perhaps never been more pertinent.

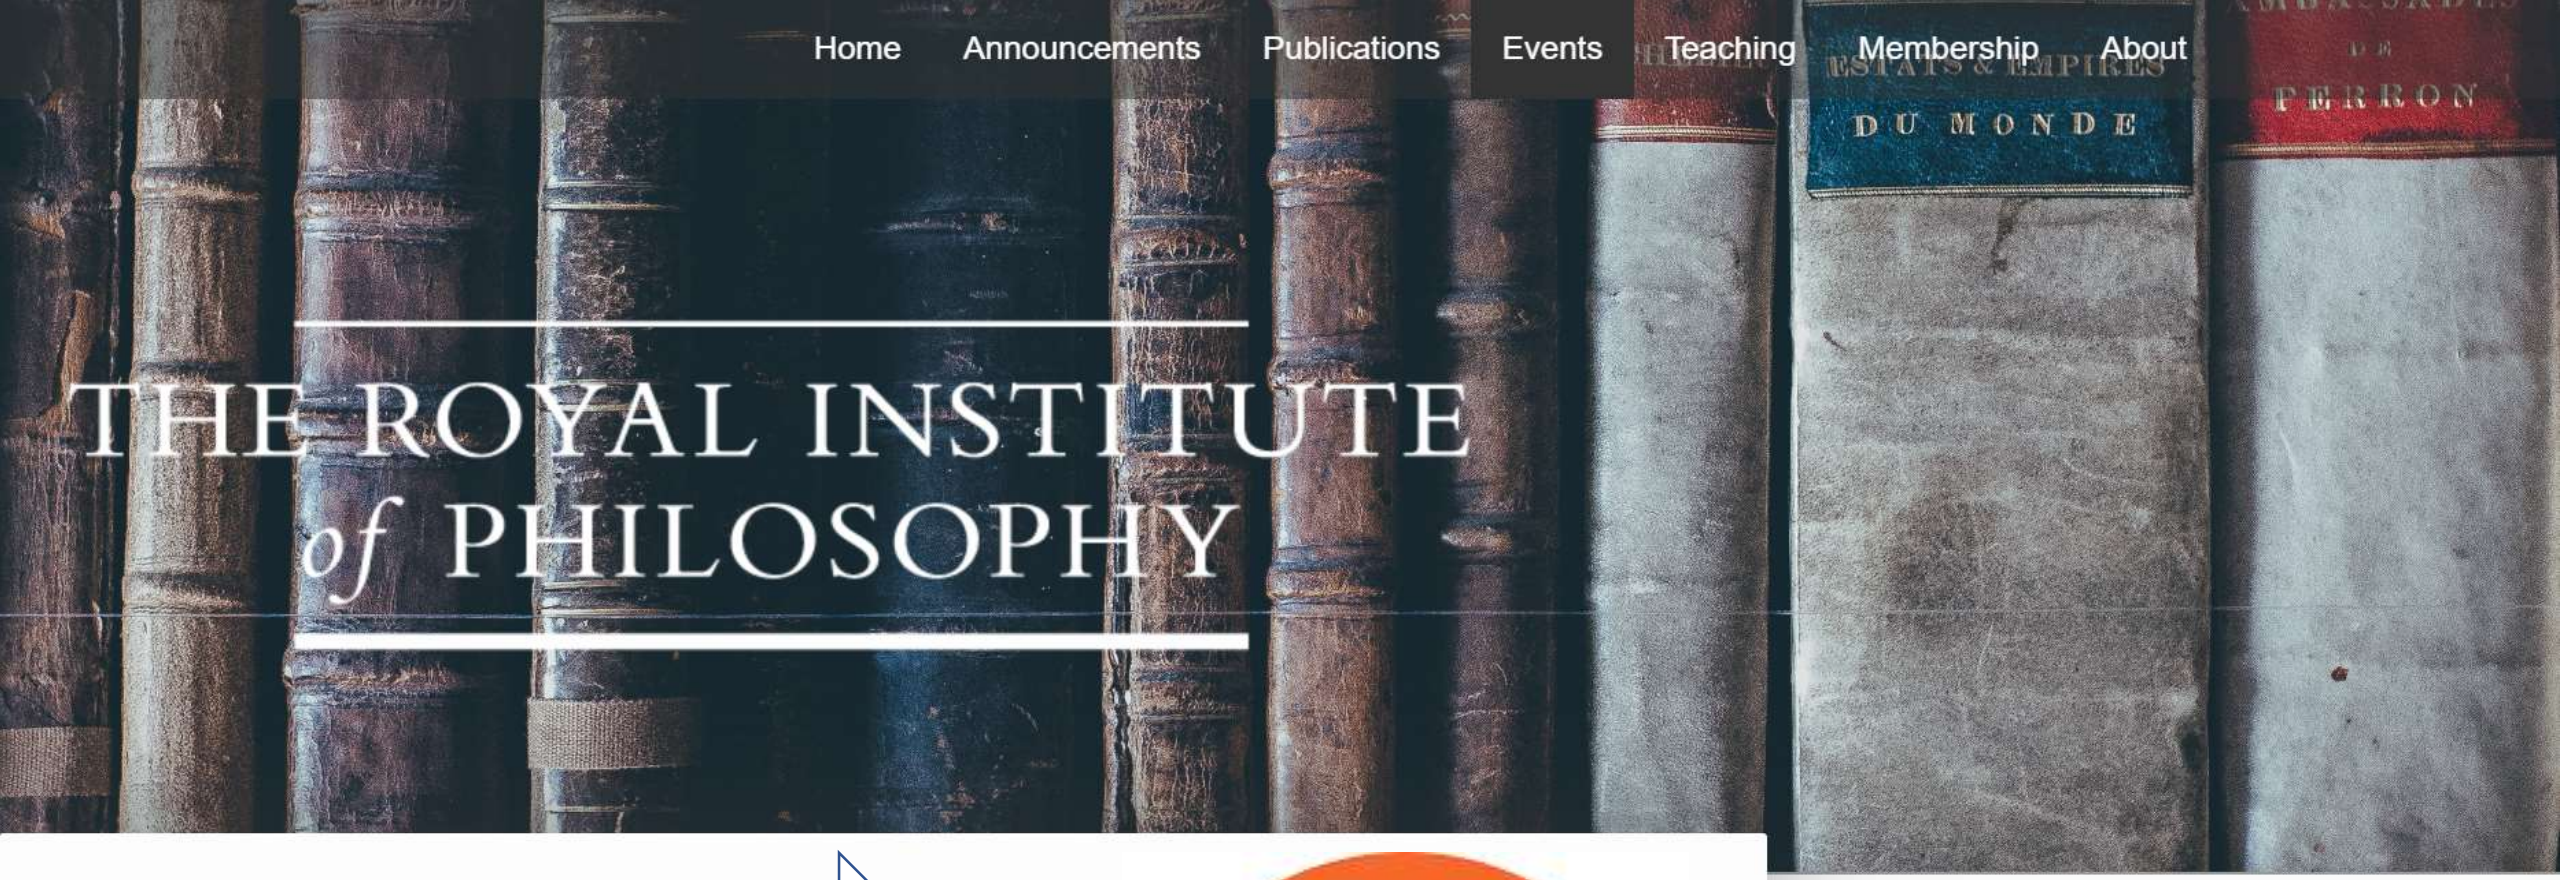
Inside the exhibition will be an immersive recreation of the small domestic room in which Blake showed his art in 1809. You will be able to experience for yourself the impact these works had when they were shown for the first time. In another room, Blake's dream of showing his works at enormous scale will be made reality using digital technology.

With over 300 original works, including his watercolours, paintings and prints, this is the largest show of Blake's work for almost 20 years. It will rediscover him as a visual artist for the 21st century.

History:

The Tudors:

Hampton Court
Hever Castle
V and A
National Portrait gallery (school trip)
Tower of London (school trip)



Philosophy and Ethics:

The London Lectures

Start

Visit www.evenbrite.co.uk to find free talks and lectures around various topics linked to Philosophy and Ethics.

Eventbrite

The News and Current affairs!

Discuss at home to support learning:

Philosophy and Ethics:

Ethical, philosophical and religious news stories:

- Euthanasia
- Ethical Business

German:

- The importance of the environment in Germany
- Germany's role in Europe

Spanish:

- Watch or listen to the news in Spanish
- Talk to them about what is happening in Spain and other Hispanic countries (knowledge of facts and statistics are important in achieving high grades in the A level Speaking exam)

Geography:

- Trade e.g. trade wars USA v China
- Migration patterns and immigration policies
- Attitudes and actions of governments in relation to climate change and immigration
- Transnational companies and global brands
- Regeneration (local and national e.g. HS2)
